Federal Services

At ICS, we pride ourselves in our unique ability to integrate comprehensive strategy and cutting edge security into information operations. We have a long and successful past performance history of providing information assurance, technical, advisory, and operations support services to our DoD and civilian federal clients. This, combined with our extensive experience serving clients in commercial, public sector and education markets, brings a fresh perspective and industry best practice to our federal clients.

Our Differentiators:

- **Demonstrated Performance:** History of outstanding service delivery, supported by exceptional contractor performance assessment reports (CPARs)
- **Professional Workforce:** Our employees are heavily degreed and professionally trained. In fact, 100% of ICS employees hold college degrees and/or one or more industry certifications.

- **Quality Processes:** Our ISO 9001:2008 certification demonstrates our commitment to quality in all of our activities.
- **Mature Project Management Methodology (PMM) and Certified Project Managers (PMI-PMP's):** Our proprietary PMM, used on every engagement over 80 hours in duration, follows Project Management Institute (PMI) Project Management Body of Knowledge (PMBOK) standards to ensure on-time and on-budget delivery of our services.
