

## GSA OASIS+

### **\*\*Contract Overview\*\***

GSA OASIS+ is a next-generation Government-Wide Acquisition Contract (GWAC) and Multiple Award Contract (MAC) designed to support integrated, services-based solutions across all federal agencies. With a 5-year base period and five 1-year option periods, OASIS+ supports both commercial and non-commercial service requirements.

OASIS+ supports fixed price, cost reimbursement, time & materials, and hybrid contracts, spanning management, advisory, technical, and engineering domains.
